Hello Ladies

Winter is very reluctantly releasing her hold on our Canadian prairie. Everyone is anxious for the arrival of spring and the long sunny days of summer. The Ladies Committee for the Saskatoon 2022 Supreme Council Session continue to plan and work on a hospitable and unique “only in Saskatchewan, you say”, entertaining program for your visit to the “Saskatoon Shines, City of Bridges” this coming September.

We have reserved a choice area for our Ladies Hospitality Suite. It is a large room filled with morning light, overlooking the panoramic South Saskatchewan River, and will provide a special “Ladies Only” meeting place for refreshment, friendship and interactive conversation.

Our Committee is very pleased to have our own Saskatchewan born National Bestselling, Award-winning author of eighteen books to date, Marion Mutala.

Saskatchewan temperatures in mid-September are sometimes described as ‘moderately chilly and breezy’ and can vary from seasonal high averages of 20 C during the day to lows of 7 C overnight. There is always a possibility of wind in Saskatchewan. Bring a sweater or light fall coat and you can enjoy a walk on the Meewasin Trail along the scenic South Saskatchewan River or visit many of Saskatoon’s close by shops, restaurants and points of interest.

The phrase “Land of Living Skies” announces our spectacular morning sunrises and evening sunsets. The long sunny days in between are amazing as we approach the fall equinox. ENJOY!

All of the 2022 Supreme Council Session Committees are busy planning and developing interesting and informative programs for your enjoyment. PSSt, I did hear something about the Saturday ‘Saskatchewan Land Grab’. We all look forward to making your stay here a wonderful experience and to take home “Memories to Last a Life Time”.
